# Payroll Employee Tracking H-2A Compliance

## PET Tiger provides H-2A compliance and reporting

An H-2A visa allows a foreign national entry into the U.S. for temporary or seasonal agricultural work. There are several requirements of the employer in regards to this visa. The H-2A temporary agricultural program establishes a means for agricultural employers who anticipate a shortage of domestic workers to bring non-immigrant foreign workers to the U.S. to perform agricultural labor or services of a temporary or seasonal nature.

PET Tiger tracks the number of hours worked along with hours refused and provides a weekly payroll statement for the workers
